SCHOOL PLEDGE

I promise to follow the school rules, to be respectful, safe and on task.

When I am respectful I speak and behave in way that makes me and other feel good. I use my best manners and am a good friend.

When I am safe I move around my classroom and the school carefully so no one gets hurt. I play games that will not hurt anyone.

When I am on task I am concentrating, following instructions and giving every task my best effort.

When I follow these three rules I show pride in my school and most importantly pride in myself. I will try to be the best person I can be every day.
